This matter comes before the Public Service Commission of South Carolina (Commission) on the request of ICG Communications, Inc. (ICG) for cancellation of the Certificates of Public Convenience and Necessity (Certificates) of ICG Telecom Group, Inc. (ICG Telecom or the Company). ICG Telecom was granted authority to provide intrastate interexchange telecommunications services and local exchange telecommunications services in the State of South Carolina by Commission Order No. 98-836, dated October 29, 1998, issued jointly in Docket Nos. 1998-263-C and 1998-331-C.

By letter from ICG's Vice President and General Counsel, filed April 20, 2006, ICG advises the Commission that ICG Telecom seeks to voluntarily surrender the Company's Certificates and to cancel the Company's tariffs in effect in South Carolina. According to ICG, ICG Telecom has no customers and no facilities providing regulated telecommunications services in South Carolina. Thus, ICG requests that ICG Telecom's Certificates be cancelled.

As ICG Telecom is no longer providing the services for which the Company's Certificates were granted, the Commission finds and concludes that ICG Telecom's Certificates of Public Convenience and Necessity to provide telecommunications services in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to operate as a reseller of intrastate interexchange telecommunications services within the State of South Carolina authorized by Order No. 98-836, dated October 29, 1998, issued in Docket No. 1998-263-C to ICG Telecom Group, Inc. is hereby cancelled.

2. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services within the State of South Carolina authorized by Order No. 98-836, dated October 29, 1998, issued in Docket No. 1998-331-C to ICG Telecom Group, Inc. is hereby cancelled.

3. The tariffs of ICG Telecom Group, Inc. are hereby cancelled.
